face. Mr. Healy staggered to his feet, his face streaming with blood, and Dalton TIM HEALY'S EYE-GLASSES KNOCKED INTO HIS EYES Healy was led to his room, where he was at tended by surgeons, who pronounced his

Has Parnell Applied for the Chilter. Hundreds ?-Michael Davitt's Viewsand his immediate withdrawal from the dining-room prevented him from being seized, but he will be arrested to-morrow on Parnell's Plan Regarding Irish Tenants - O'Brien and Dillon Taken to a charge of felonious assault. The affai Cork-Canon Kearney's Protest. created great excitement and a general fight was averted with difficulty.

London, March 23. - Michael Davitt, i

Cons. March 23.-It is announced to-day that Mr. Parnell has written a letter to the Cork Leadership Committee in which he phrass in his letter to the Cork Leadership cork Leadership Committee in which he says the tone of studied insult and the untruthful character of the statements made in Mr. Healy's letter accepting his challenge that they should both resign their seats in Parliament and come forward as candidates.

The committee saying, 'So soon as Mr. Healy has submitted himself to the judgment of and has gone to his constituents,' is a repetition of the Poulogne trick. Mr. Davitt added: 'Mr. Parnell wishes to make Mr. for re-election debars him from communi-cating directly with Mr. Healy or with the (Parnell) would be guided by the result of atter's friends. He adds that it is impossi- Healy's fate. Mr. Parnell would never have ble to expect that any agreement will be re- noticed the acceptance of his challenge ex spected by his opponents longer than expe-dient. However, he has placed his applica-evades the terms of his own challenge." tion for the Chiltern Hundreds in Mr. Nolan's hands, requesting him to forward servative victory at Aston Manor, said that it directly Mr. Healy submits himself before the electors of the division of Cork which but on a labor issue, and that Mr. Joseph

Chamberlain's influence secured the middle-Maurice Healy, when questioned to-day class vote. He added that the Government's regarding Mr. Parnell's letter about his appressive to appoint a labor commission to inplication for the Chiltern Hundreds, said quire into the cause of strikes and the best that he had not seen the letter, but if the way to remedy them, as well as into labor resignation was genuine he (Healy) would matters generally, undoubtedly greatly in william O'Brien and John Dillon, the not see the Government's desire to shelve

members of Parliament who have been the labor question by appointing such men undergoing terms of imprisonment in Gal-way Jail, were transferred to-day to Cork as noembers of the Commission. Jail, where they will be detained in readiness for their appearance at the coming trials. Mr. O'Brien is rather more robust than when he surrendered himself to the by compulsory expropriation at a small than when he surrendered himself to the authorities, but Mr. Dillon is very weak from the effects of dysentery, and the wisdom of his removal from Galway Jail is extremely doubtful. They were recognized upon their arrival at the railway station here, and as they were driven through the streets upon jaunting cars, guarded by a police escort, they were warmly cheered by the people in the streets. O'Brien and Dillon were st first taken to Clonnel Prison after surrendering to the police at Folkestene on surrendering to the police at Folkest-ne on from his ranks, said he preferred Valentine Peb, 12. On Feb, 18 they were transferred Pillen to a good proportion of the traitors Capes, Lisle plaited

o Galway Jail.

The glass injured the coats of Mr. Healy's who had deserted the party, because Dilion would not run away if the Grand Old Man left eye and inflicted an incised wound an unch below the eyelid. It is feared that inflammation will cosuc. Healy's sight is not injured. Mr. Morley, who arrived at the hotel after the assault, was highly indighotel after the assault, was highly indig-nant. Parnellite roughs watched all the exits till Healy departed from a back en-terms when they have been did not do when they hastly retreated from room 15. If the strife had been removed from the heated atmosthere of room 15 and the evil influence of the National Liberal Crub, some way would

Three doctors are now in attendance on the injured man. They have made an examination of the wounds in his eves and At many other meetings Mr. Parnells. express the fear that Mr. Healy's injuries difficulty in obtaining a hearing has been may result in the loss of his sight.

Dunlin, March 23,-Canon Kearney has written a letter to the National Press, the tonished to find his name published in the Freeman's Journal as having written to the Lord Mayor inclosing a 5 note for the fund being raised for Mr. Parnell's campaign purposes. The Programs of the Parnell's campaign purposes. The Programs of the Parnell's campaign purposes. purposes. The Press says the Canon's de-

purposes. The Pressure the Canon wide-nial is suggestive of a bogns list of sub-scribers.

THE SCHMIDTS ON TRIAL.

Expert Medical Testimony to Show Why Emma Pfitzenmyer Was Sialn.

PHILADELPHIA, Pa., March 23,-What romises to be the most sensational and dramatic murder trial of the age began at Media yesterday. Mrs. Caroline Schmidt was placed on trial before Judge Waddell, for killing her pretty sister, Emma Pfitzenmyer. at Chester in the early morning of Dec. 4, as related at length in THE WORLD.

Henry Schmidt, who is accused of having guilty knowledge of the murder, elected to have a separate trial in order that he might go on the stand if called upon to give testimons in behalf of his wife. The courtroom was crowded.

go on the stand if called upon to give testimony in behalf of his wife. The courtroom was crowded.

The following jury was finally obtained: Orlando H, Cond, clerk, Chester: Elisha Moore, mechanic, Unland; Jerome W, Faucett, clerk, Lower Chichester: Frank Pierson, farmer, Concord; Joseph McGowan, clerk, Chester: Albion Harvey, farmer, Birmingham: Richard Powers, carpenter, Chester; Reese G, Coborr, farmer, Chester: Chester: Herry, House, printer, Media; Issac M, Flounders, contractor and builder, Mcdia; Thos. N, Scott, real estate, Chester: Harvey H, Major, farmer, Cliftou Heights, Briefly District-Attorney Hammon told what the State expected to prove. We will prove, said he, 'that Emma Prizenmyer attended a ball in Chester on the night of Dec. 3, Mrs. Schmidt also attended that ball. Some time during the night Emma made a short trip to the house. On her return to the ballroom, she stayed but a few minutes. She left suddenly and without explanation. Mrs. Schmidt followed her. The next seen of Emma was her dead body. It was found on the floor of the room occupied by Mr. and Mrs. Schmidt as a sleeping apartment.

pled by Mr. and Mrs. Schmidt as a sleeping apartment.

I shall show you by the severest test known to science that she had shortly before death known man. The police officer will show how he found the body. The undertakers will show the condition of the body as regards blood, and we will prove conclusively by expert doctors that the woman was murdered; that it was not possible that the wounds could be self-inflicted. We will prove to your satisfaction that the blood found in the room came from a human body."

He will consult to-morrow with sensions who have offered the amendments and it may result in an agreement being reached. The report of the Fassett Committee in this week. The session to-night was not interesting in either House. The Assembly took up the undicary bill, directing that the vote for the probablic on an approach of the probablic was not interesting in either House. The Assembly took up the undicary bill, directing that the vote for the probablic on an approach of the probably will not be handed in this week.

The report of the Fassett Committee in the self-was a probably will not be handed in this week.

The session to-night was not interesting in either House. The Assembly took up the undicary bill, directing that the Constitution should be east at the November election. The inequality of the probable was not interesting in either House. The Assembly took up the will consult to-morrow with section that the was not probably will not be handed in this week.

Boys' Waists at Special Prices.

We recommend this sale to parents and guardians as an unusual opporunity to buy desirable Clothing for the boys at a great saving in cost.

Bloomingdale Bros., 3d Ave., Cor. 59th St.

THE "SIAMESE-TWIN" BRIDGE.

ALBANY, March 23 -Frederick Uhlman, he president of the Union Elevated Railroad Company, is here to-night studying the amendements which have been proposed to the bill granting a charter for the big Siamese-Twin bridge accross the East River. sively by expert doctors that the woman was murdered; that it was not nossible that the woman could be self-initiated. We will prove to your satisfaction that the blood found in the room came from a human body."

At this point Mr. Hammon picked up the wicket-looking cheese-knife, with its ragged edge, and beld it high so that all could see it, and continued in a solemn tone: "We shall prove that the murder was committed with this weapon. I we do prove all this to your satisfaction we shall sake a verdict of murder in the first diegree. If not no verdict of that kind shall be asked her hand before her eres for a moment. But throe witnesses were examined before the court adjourned, and their story only led up to the killing. None of the expert medical testimony, which is all important, was reached to-day.

The tom-fool notion that the old Seward

The tom-fool notion that the old Seward

I would be cast at the November election. The bill was apecial election neat month. The bill was appeared and sent to the senate. It is a substitute for the Senate measure calling for a special election on this matter, and some moistion that the Senate mush not accept the substitute, in which case there would be asked her hand before her eres for a moment.

But throe witnesses were examined before the court adjourned, and their story only led up to the killing. None of the expert medical testimony, which is all important.
